

Welcome To Your 2019-2020 School Year And The Leonard Brautigam Center!

We are very excited to welcome you back to school and look forward to working closely with you to ensure your success in all your efforts this year. We have just moved from our Windfern Rd. location to 13102 Jones Rd; Houston TX 77070. Our new campus is absolutely beautiful and sleek in a very 21st century way!

You will be among the very first students to walk our hallways, greet our teachers in classrooms, eat lunch in our Student Union, conduct research in our library, and distinguish yourself through your academics, your attendance record, and most of all, your day-to-day attitude. We look forward to walking alongside you, guiding you to become the best version of yourself! You will quickly find out that our teachers and staff are quite talented in finding the best in every student and developing it to maximum effect!

Parents, we look forward to sharing your student's successes and walking shoulder to shoulder with you this year and in years to come. Please know that you are always welcome on our campus, and my door is open to your visit at any time.

Classes begin Monday, August 26th at 8:20. However, students, we need you to report by 8:00 so that we can distribute class schedules, process ID badges, issue parking stickers (no charge – yippee!), etc.

Please feel free to call us (281) 807-8684 with any questions you may have. Let's work together to make this a remarkable and memorable school year!

Martha Strother, Principal
