April 9, 2020

Dear Parents and Guardians,

We hope this letter finds you and your family well. Please know that we miss having your students on our campus, filling our halls, classrooms, and Student Union with laughter and animated chatter! We so very much look forward to welcoming them back!

After several attempts, we have been unable to contact you by phone or email. We hope that we are able to reach you with this letter to give you additional information regarding educational opportunities for your child during the time that CFISD campuses are closed.

If your child has online access, the district has posted an online "Learning At Home" icon on the CFISD home page. To access this information, you may log on to www.cfisd.net. The "Learning from Home" icon is posted on the home page. Once you click on the icon, scroll down to the Edgenuity link, "Grades 6-12 Start Here". This link will walk you through how to access the grade-appropriate lessons and other learning resources. We ask that you make every effort to enthusiastically encourage your student to fully engage in instructional activities Monday through Friday 9:00 - 2:00. Teachers are ready to help via email, group texts, Zoom meetings, and other virtual venues.

Please contact Susan Calda, Director of Instruction at 281.807.8684 to let us know if your child does or does not have online access to the lessons. If your child does not have online access, we will share information with you at that time about alternate lessons in a printed format.

We are all here to support your family during this difficult time. Please feel free to reach out to me if there is anything I can do for you personally. Please call our main number, 281.807.8684 and leave a message asking to speak to me personally, and I will get back with you as soon as possible. Please know our hearts are with you!

Warmest wishes,

Martha Strother

Martha Strother, Principal
